UNIVERSAL HOME HEALTH AND HOSPICE PRESENTS

CAMP BRAVEHEART

MARMON VALLEY FARM
JUNE 3RD & 4TH

ABOUT CAMP

Losing someone close is difficult for adults, but children grieve too!

Although we cannot protect them from the pain of loss, we can make sure they build healthy coping skills. Camp Braveheart connects children that have experienced similar losses in a safe and fun environment.

In addition to the many camp activities that Marmon Valley Farm has to offer (horseback riding, challenge courses, archery, fishing, rock wall climbing, etc.), campers also participate in small group discussions, healing art activities, and remembrance services.

Children are *never* forced to share...

We provide a safe space for healing at camp. Campers will be surrounded by trained, background-checked volunteers that include hospice professionals, social workers and nurses.

We will not force anyone to share that is uncomfortable. Our goal is to teach healthy coping skills and create a safe environment for sharing that will help each camper heal in a way that is right for them.
